STATESVILLE, North Carolina, USA, September 19, 2016 / PRNewswire / Kewaunee Scientific Corporation (NASDAQ: KEQU) today announced that, through its dealer ATC, it has been awarded a contract valued at approximately \$18.5 million for the new College of Science complex for Kuwait University's Sabah Al-Salem University City. This is the second College at the new Sabah Al-Salem University City for which Kewaunee will be supplying Laboratory furniture, fume hoods, and related products. We are nearing completion of our contract for providing similar products for the College of Engineering and Petroleum complex.

"We are delighted and very proud to have been selected to continue working with Kuwait University, Turner Projacs JV, MCC, and the entire construction team on this world-class complex for higher education," said David M. Rausch, Kewaunee Scientific's President and Chief Executive Officer. "Being selected to continue to provide the highest quality products and services to Kuwait University's Sabah Al-Salem University City at the College of Science complex is further indication of our commitment to the Middle East and a reflection of our industry leading reputation and the ability of our experienced international team in servicing the important Middle East market."
