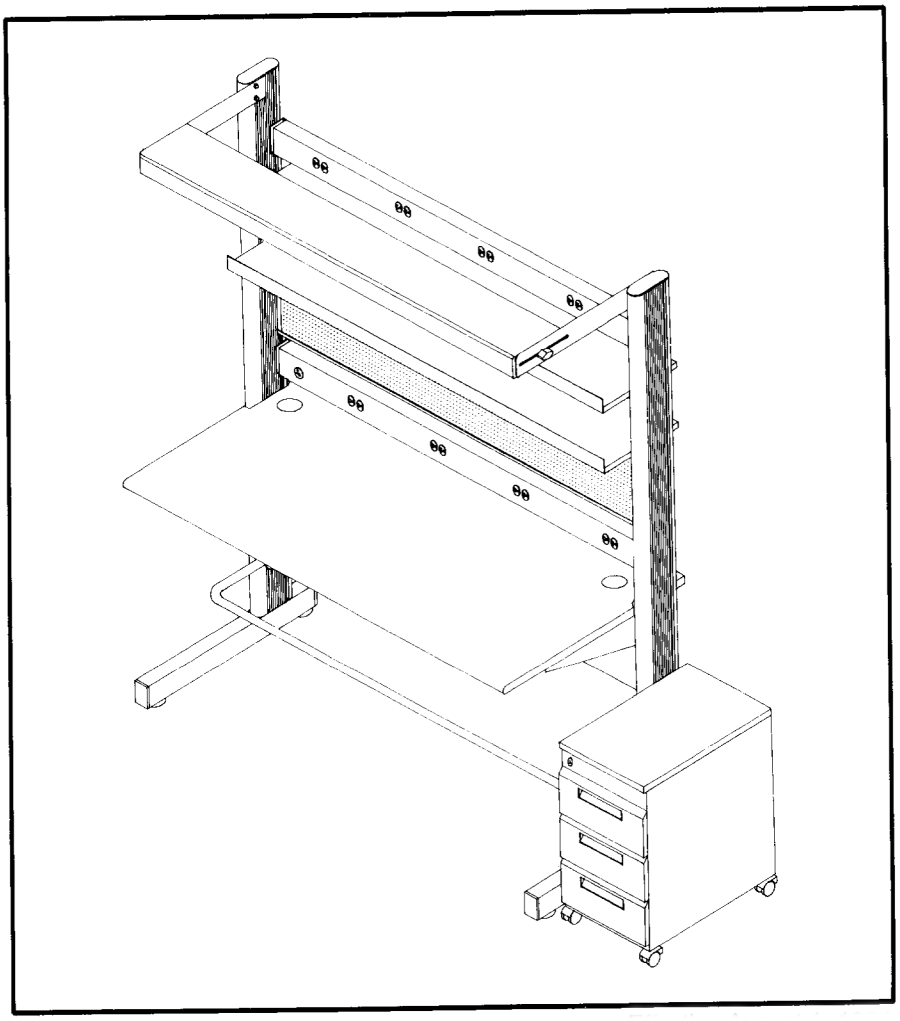
Selection and Ordering Guide



KEWAUNEE

KEWAUNEE SCIENTIFIC CORPORATION

Serving the technical workplace since 1906.

Kewaunee offers a complete line of products to make your technical work environment more efficient and productive. Our "systems approach" to technical environment planning provides you with the expertise of our workstation professionals who draw more than 80 years of experience to design optimum and effective work places.

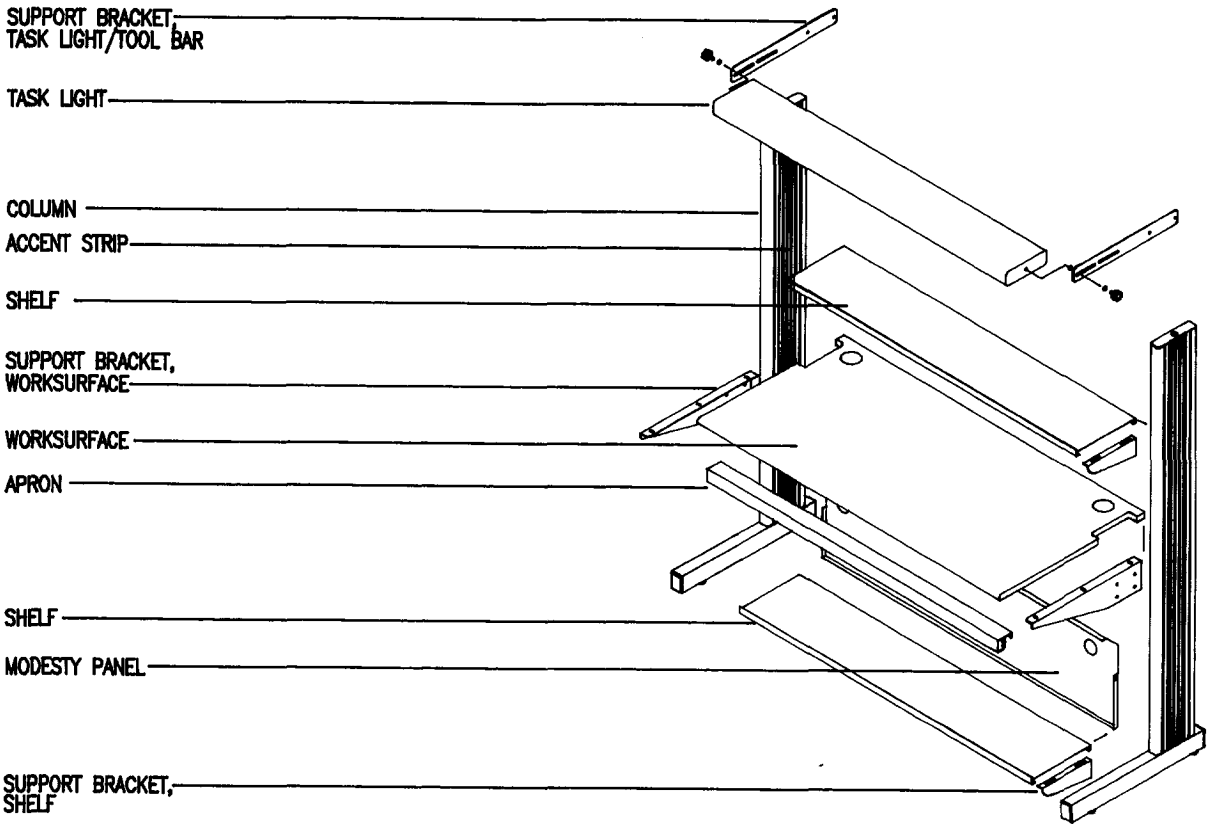
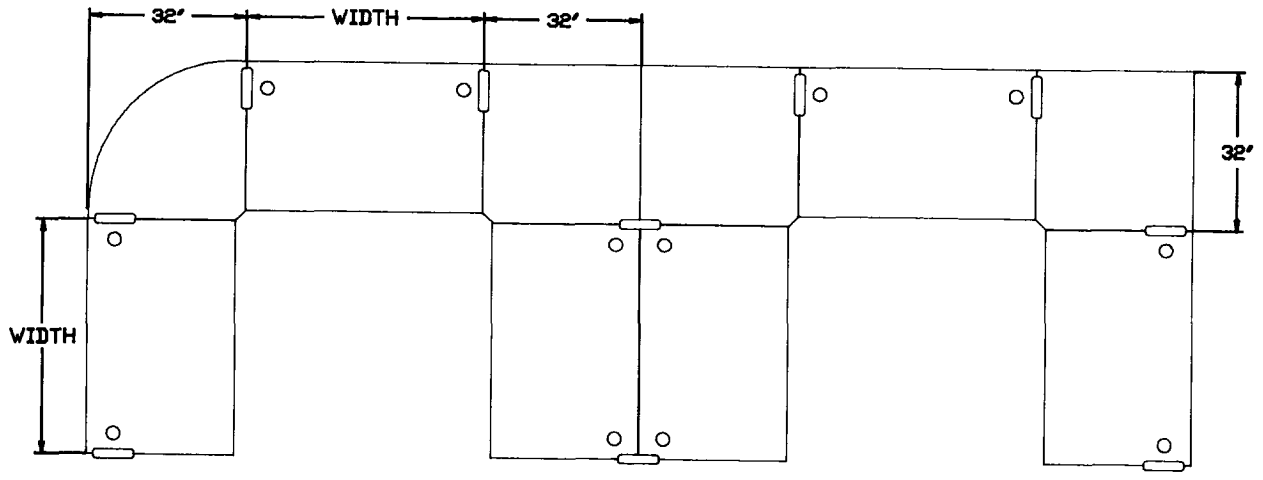
PRODUCT VOCABULARY





TYPICAL WORKSTATION LAYOUT

HOW TO SELECT, SPECIFY AND ORDER

Kewaunee recommends the specifications of the room layout be determined in advance of ordering the actual workstations. The end result is a well planned production area that meets your requirements, saves money, and provides your personnel with an ergonomically designed productive work area.

To Begin:

(1) Measure the allocated space.
(2) Determine personnel requirements.
(3) Specify features important for operational requirements.

At any time, contact a local Kewaunee representative from a nationwide service network to provide you with assistance in determining your exact workstation requirements.

Ordering a Workstation:

1. Select: Low Column Workstation
   Mid Column Workstation
   High Column Workstation
   Double-Sided Workstation

2. Determine the width of the workstation: 48", 60" or 72".
   Workstation width is measured from centerline of column to centerline of column.

3. Specify the color of the worksurface and accent strips for the workstation:

Example: Product Number 407304

- **A** - Almond Accent
- **K** - Black Accent
- **W** - Wineberry Accent
- **B** - Blue Accent
- **G** - Gray Accent

- **A** - Almond Worksurface
- **G** - Gray Worksurface

4. Specify the painted steel color: Sand Tan, Gray, White or Black
   Customized paint colors can be specified to meet your needs.

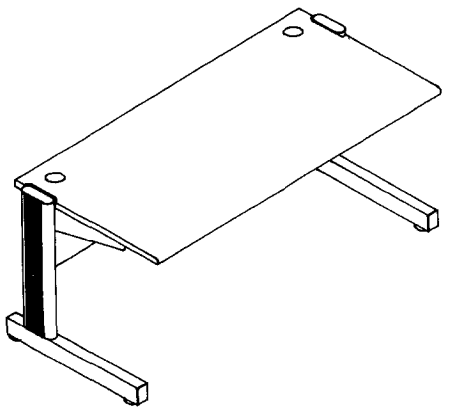
5. ESD workstations and bridge units are shown with standard workstations.
   ESD worksurface/accent strip colors are:
   AA - almond worksurface with almond accent
   GG - gray worksurface with gray accent

6. Select workstation accessories (lighting, shelving, corner units, storage...etc.).

Basic Workstations include a front radius edge worksurface, (2) supporting columns with bases and glides. Worksurface support brackets, apron and modesty panel are also included.

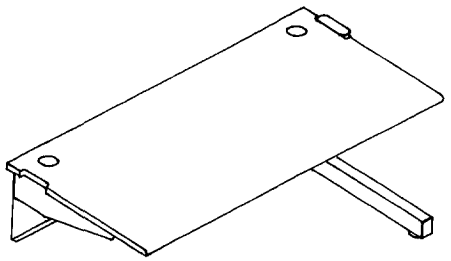
Add-On Workstations include all items listed above except (1) supporting column and base. The Add-On Workstation shares the column and base from an existing adjacent Basic Workstation.

ESD Workstations are supplied with all grounding hardware and static dissipative laminate.



Basic Workstations

Maximum Height	Depth	Width	Standard*	ESD*	Approx. Weight
30"	30"	48"	407304_ _	407354_ _	123
		60"	407305_ _	407355_ _	138
		72"	407306_ _	407356_ _	153



Add-On Workstations

Maximum Height	Depth	Width	Standard*	ESD*	Approx. Weight
30"	30"	48"	407307_ _	407357_ _	104
		60"	407308_ _	407358_ _	119
		72"	407309_ _	407359_ _	134

*Specify color preference with a suffix to the product number:
For Example, product number 407304_ _
requires a worksurface color code **first**, and an accent color code **second.**

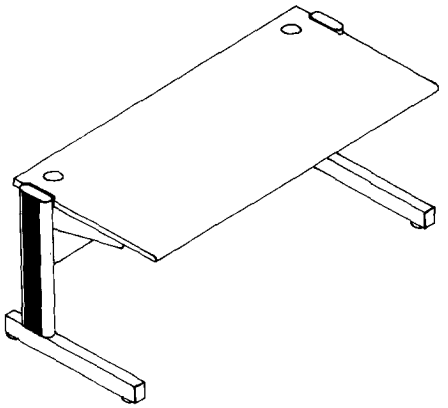
Worksurface Colors: A - Almond or G - Gray
Accent Colors: A - Almond, K - Black, W - Wineberry, B - Blue or G - Gray

ESD Worksurface/Accent Colors: AA - Almond or GG - Gray

Basic Workstations include a front radius edge worksurface, (2) supporting columns with bases and glides. Worksurface support brackets, apron and modesty panel are also included.

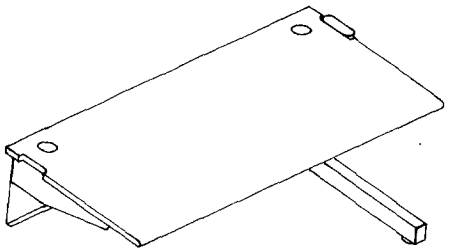
Add-On Workstations include all items listed above except (1) supporting column and base. The Add-On Workstation shares the column and base from an existing adjacent Basic Workstation.

ESD Workstations are supplied with all grounding hardware and static dissipative laminate.



Basic Workstations

Maximum Height	Depth	Width	Standard*	ESD*	Approx. Weight
36"	30"	48"	407314_ _	407364_ _	125
		60"	407315_ _	407365_ _	142
		72"	407316_ _	407366_ _	157



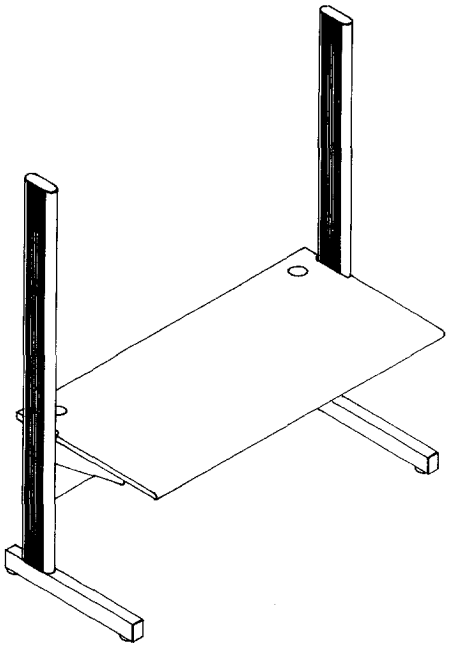
Add-On Workstations

Maximum Height	Depth	Width	Standard*	ESD*	Approx. Weight
36"	30"	48"	407317_ _	407367_ _	106
		60"	407318_ _	407368_ _	121
		72"	407319_ _	407369_ _	136

*Specify color preference with a suffix to the product number:
For Example, product number 407304_ _
requires a worksurface color code **first**, and an accent color code **second**.

Worksurface Colors: A - Almond or G - Gray
Accent Colors: A - Almond, K - Black, W - Wineberry, B - Blue or G - Gray

ESD Worksurface/Accent Colors: AA - Almond or GG - Gray



Basic Workstations include a front radius edge worksurface, (2) supporting columns with bases and glides. Worksurface support brackets, apron and modesty panel are also included.

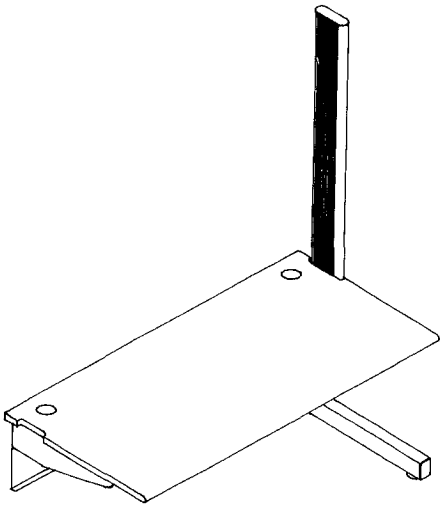
Add-On Workstations include all items listed above except (1) supporting column and base. The Add-On Workstation shares the column and base from an existing adjacent Basic Workstation.

ESD Workstations are supplied with all grounding hardware and static dissipative laminate.

Basic Workstations

Maximum Height	Depth	Width	Standard*	ESD*	Approx. Weight
76"	30"	48"	407324_ _	407374_ _	153
		60"	407325_ _	407375_ _	168
		72"	407326_ _	407376_ _	183

Add-On Workstations

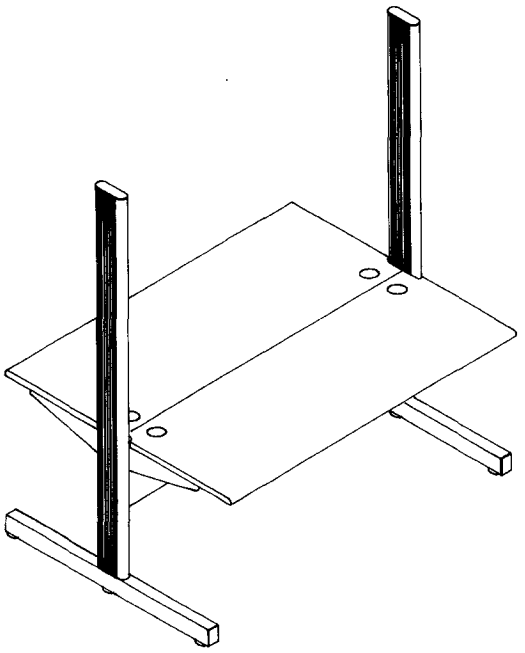


Maximum Height	Depth	Width	Standard*	ESD*	Approx. Weight
76"	30"	48"	407327_ _	407377_ _	119
		60"	407328_ _	407378_ _	135
		72"	407329_ _	407379_ _	149

*Specify color preference with a suffix to the product number:
For Example, product number 407304_ _
requires a worksurface color code **first**, and an accent color code **second.**

Worksurface Colors: A - Almond or G - Gray
Accent Colors: A - Almond, K - Black, W - Wineberry, B - Blue or G - Gray

ESD Worksurface/Accent Colors: AA - Almond or GG - Gray



Basic Workstations include (2) front radius edge worksurfaces that share (2) supporting columns with bases and glides. (2) double-sided worksurface support brackets, (2) aprons and (2) modesty panels are also included.

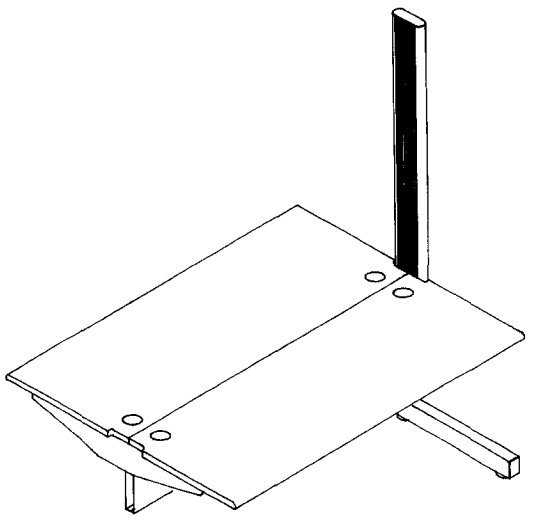
Add-On Workstations include all items listed above except (1) supporting column and base. The Add-On Workstation shares the column and base from an existing adjacent Basic Workstation.

ESD Workstations are supplied with all grounding hardware and static dissipative laminate.

Basic Workstations

Maximum Height	Depth	Width	Standard*	ESD*	Approx. Weight
76"	30"	48"	407334_ _	407384_ _	249
		60"	407335_ _	407385_ _	279
		72"	407336_ _	407386_ _	309

Add-On Workstations

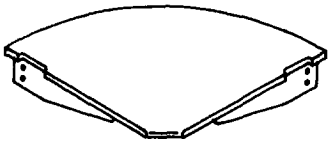


Maximum Height	Depth	Width	Standard*	ESD*	Approx. Weight
76"	30"	48"	407337_ _	407387_ _	206
		60"	407338_ _	407388_ _	236
		72"	407339_ _	407389_ _	266

*Specify color preference with a suffix to the product number:
For Example, product number 407304_ _
requires a worksurface color code **first**, and an accent color code **second.**

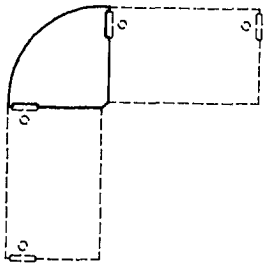
Worksurface Colors: A - Almond or G - Gray
Accent Colors: A - Almond, K - Black, W - Wineberry, B - Blue or G - Gray

ESD Worksurface/Accent Colors: AA - Almond or GG - Gray



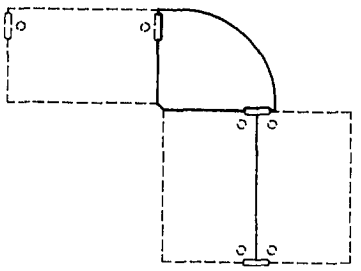
Corner Units are used to connect workstations into an "L" or "U" shape configuration. They must be used in conjunction with (2) free-standing workstations. Corner Units include a front radius edge worksurface and support brackets.

ESD Corner Units are supplied with all grounding hardware and static dissipative laminate.

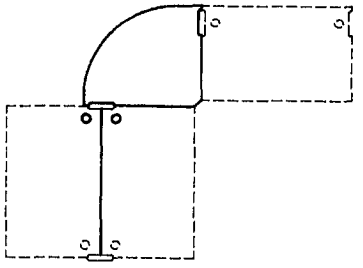


Radius Corners

Description	Standard* Laminate	ESD* Laminate	Approx. Weight
90 Worksurface Single to Single	407030_	407030_E	40



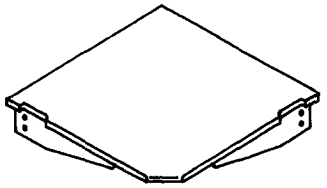
Description	Standard* Laminate	ESD* Laminate	Approx. Weight
90 Worksurface Single to Double Right	407031_	407031_E	43



Description	Standard* Laminate	ESD* Laminate	Approx. Weight
90 Worksurface Single to Double Left	407032_	407032_E	43

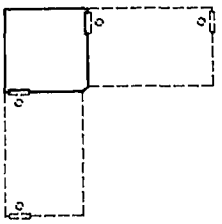
*Specify color preference with a suffix to the product number:

Worksurface Colors: A - Almond or G - Gray

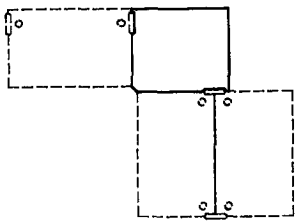


Square Corners

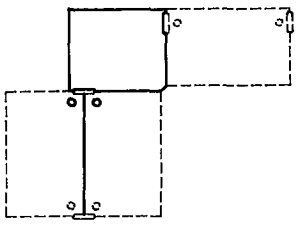
Description	Standard* Laminate	ESD* Laminate	Approx. Weight
Square Worksurface Single to Single	407033_	407033_E	47



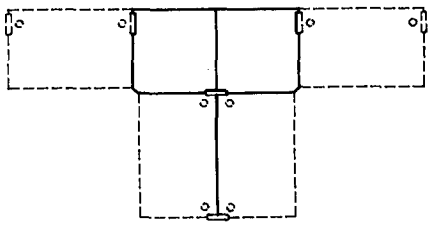
Description	Standard* Laminate	ESD* Laminate	Approx. Weight
Square Worksurface Single to Double Right	407034_	407034_E	47



Description	Standard* Laminate	ESD* Laminate	Approx. Weight
Square Worksurface Single to Double Left	407035_	407035_E	47



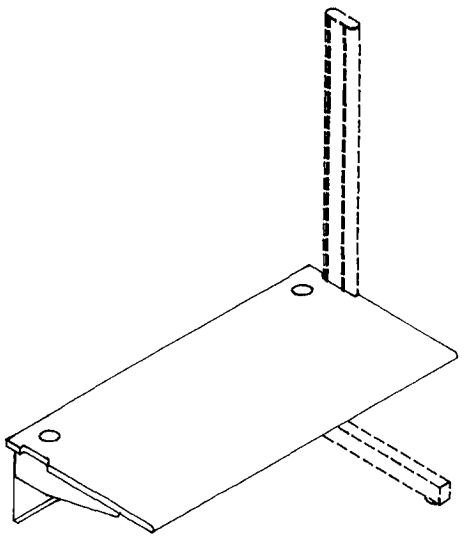
Linkage Elements are used to connect workstations into a "T" shape configuration. They include (2) front radius edge worksurfaces, (1) corner leg and support brackets



Description	Standard* Laminate	ESD* Laminate	Approx. Weight
Linkage Element	407036_	407036_E	94

*Specify color preference with a suffix to the product number:

Worksurface Colors: A - Almond or G - Gray



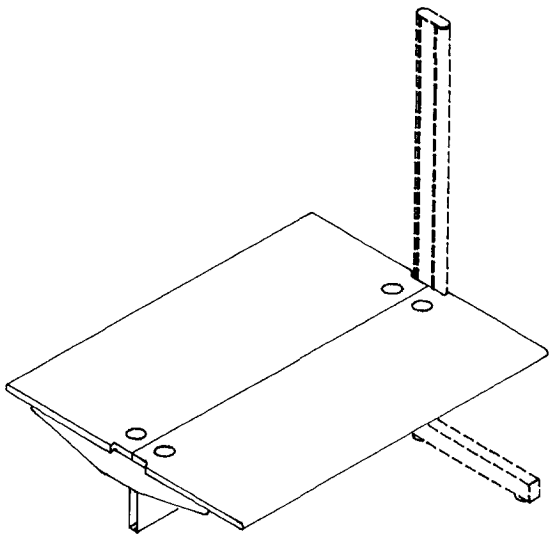
Bridge Units are used to convert empty space between workstations into usable work space. They must be used in conjunction with (2) free-standing workstations. The Basic Bridge includes a front radius edge worksurface, support brackets, apron and modesty panel.

The Double-Sided Bridge Unit includes (2) front radius edge worksurfaces, (2) double-sided worksurface support brackets, (2) aprons and (2) modesty panels.

ESD Bridge Units are supplied with all grounding hardware and static dissipative laminate.

Basic Bridge

Depth	Width	Standard* Laminate	ESD* Laminate	Approx. Weight
30"	48"	407021_	407021_E	84
	60"	407022_	407022_E	99
	72"	407023_	407023_E	114

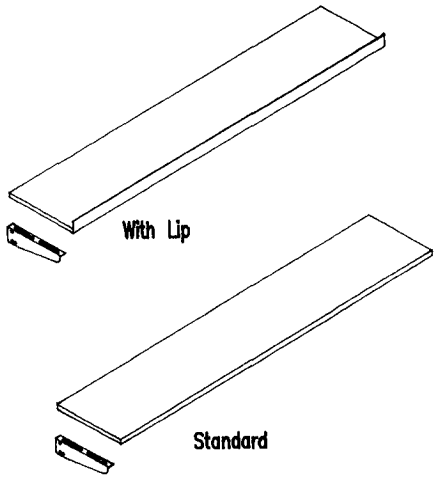


Double-Sided Bridge

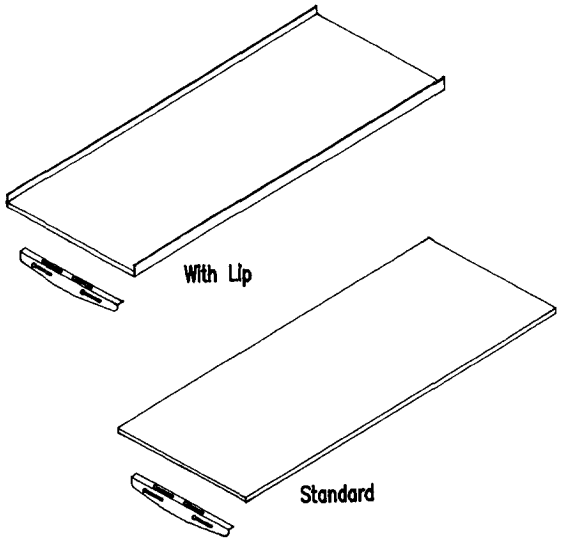
Depth	Width	Standard* Laminate	ESD* Laminate	Approx. Weight
30"	48"	407026_	407026_E	164
	60"	407027_	407027_E	194
	72"	407028_	407028_E	224

*Specify color preference with a suffix to the product number:

Worksurface Colors: A - Almond or G - Gray



12" Deep Shelf



18" Deep Shelf

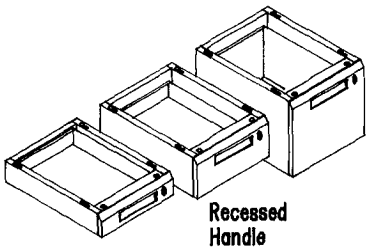
Metal Shelves are offered with or without safety lip which runs the length of one side of the 12"D shelf and both sides of the 18"D shelf. The lip can be used for clip-on bins and various accessories.

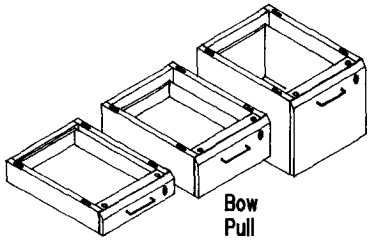
All shelves may be mounted above or below the worksurface in a single or double-sided configuration. 12"D Shelves may be mounted at the same level and slanted in a double-sided configuration. 18"D shelves must be mounted at different levels in a double-sided configuration. Support brackets allow up/down adjustment along the column as well as tilt capabilities.

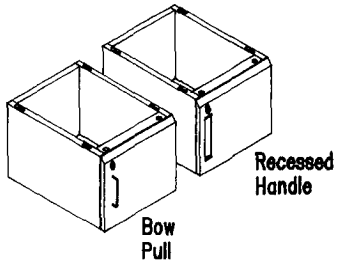
ESD Shelf Mats are available. Please refer to ESD Options.

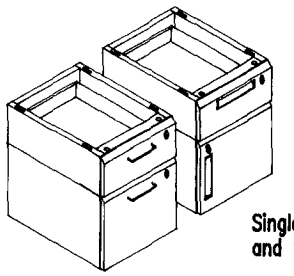
System Shelving

Depth	Workstation Width	Without Lip	With Lip(s)	Approx. Weight
12"	48"	407041	407051	23
	60"	407042	407052	25
	72"	407043	407053	27
18"	48"	407046	407056	29
	60"	407047	407057	31
	72"	407048	407058	33









Single Box Drawer
and File Drawer Combination

All stackable or under-worksurface mounted drawers and cabinets are made of steel and feature metal drawer fronts with recessed handle or bow pulls. Personal and Box drawers are suspended with two-member ball bearing slides, and the file drawers are suspended with three-member ball bearing slides. Threaded inserts are supplied in all worksurfaces for easy installation to either end of the workstation.

Include (1) Mounting Bracket for each hanging drawer configuration attaching directly to worksurface.

Description	Inside Dimensions Depth	Width	Height
Personal Drawer	18"	12⅛"	1½"
Box Drawer	18"	12⅛"	4½"
File Drawer	18"	12⅛"	9½"
Left Door Cabinet	19½"	13"	11¾"
Right Door Cabinet	19½"	13"	11¾"

Lockable Hanging Drawers/Cabinets

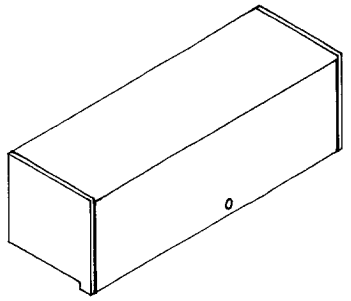
For mounting hanging drawers when lower shelf is used, maximum clearance in-between apron and lower shelf at its highest position is 12". Refer to overall height when determining hanging drawer configuration.

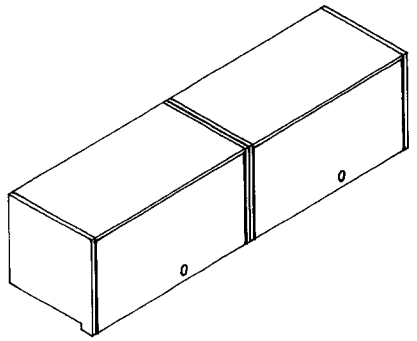
Description	Overall Height	Recessed Handle	Bow Pull	Approx. Weight
Personal Drawer	4"	407400	407401	8
Box Drawer	7"	407402	407403	16
File Drawer	14"	407404	407405	32
Left Door Cabinet	14"	407406	407407	19
Right Door Cabinet	14"	407408	407409	19

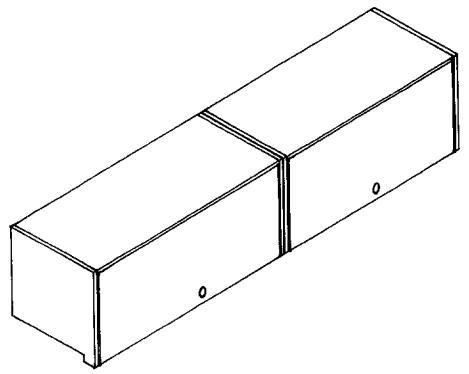
Description	Product Number	Approx. Weight
Mounting Bracket	407420	6

Note:
Please specify keying and color instructions when ordering.
Drawers can be keyed alike, differently, by workstation or by area.
Drawer/Cabinet front colors: Sand Tan, Gray, White and Black

OVERHEAD STORAGE







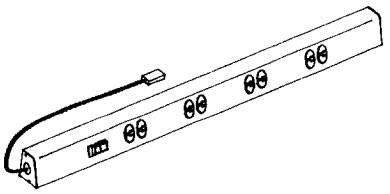
Overhead Storage Units are made of steel and include a locking, internal retracting door and all necessary mounting hardware. Outside dimensions are 15"H X 15"D, with actual widths of 46", 58" and 70".

* All dimensions are nominal

Workstation Width	Depth	Product Number	Approx. Weight
48"	15"	407501	55
60"	15"	407502	68
72"	15"	407503	83

Powered Backsplashes include 15 or 20 AMP grounded receptacles and an on/off switch with built-in circuit breaker. ESD Backsplashes feature dielectric insulation. Installation guide and mounting hardware included.

Order (1) 10 ft. power cord for each powered backsplash unless a task light will be used along with backsplash. In that case, (1) column electrical harness will connect and power both.



Standard Backsplash

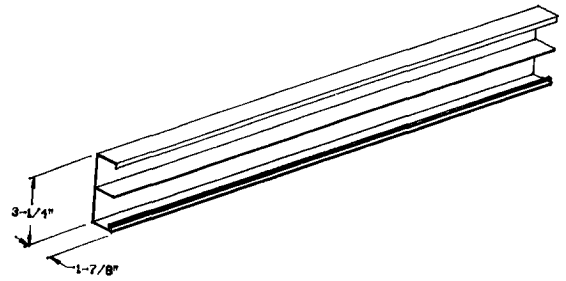
Workstation Width	Outlets	15 AMP	20 AMP	Approx. Weight
48"	8	407131	407141	7
60"	8	407132	407142	10
72"	8	407133	407143	13

ESD Backsplash

Workstation Width	Outlets	15 AMP	20 AMP	Approx. Weight
48"	8	407131E	407141E	7
60"	8	407132E	407142E	10
72"	8	407133E	407143E	13

Description	15 AMP	20 AMP	Approx. Weight
10 Foot Power Cord	407235	407236	1

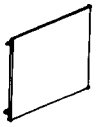
Description	15 AMP	20 AMP	Approx. Weight
Column Electrical Harness	407220	407230	1

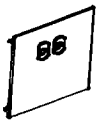


All Utility Management Raceway components are manufactured of extruded aluminum alloy and anodized for durability. Basic components include raceway body and face plate covers. The covers snap on and off to allow complete flexibility and field modification. Select raceway body width and appropriate electric/utility fittings.

Cover options selected must add up to the total width of raceway. End caps are required at the beginning and end of a raceway run.

Blank Cover





1 duplex - 15 AMP
1 duplex - 20 AMP

Surface Mount Raceway Body

Workstation Width	Description	Product Number	Approx. Weight
48"	Surface Mount Raceway	407151	8

1 End Cap	ACC000EC	1

Factory Wiring Service

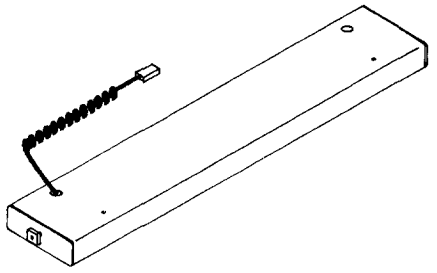
Description	Product Number	Approx. Weight
Wiring Service - 15 AMP	ACCWR15	3
Wiring Service - 20 AMP	ACCWR20	3

Note:

Please provide cover configuration when ordering wiring service.

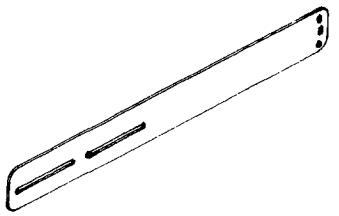
Task Lights mount in-between two columns and include an energy saving ballast and on/off switch. Hand knob allows in/out and tilt adjustment on the light fixture bracket. Diffuser offers easy removal for fluorescent tube replacement. Fluorescent tubes provided.

(1) set of supports and (1) column electrical harness must be ordered separately for each task light.



Task Light

Workstation Width	Product Number	Approx. Weight
48"	407101	24
60"	407102	26
72"	407103	28

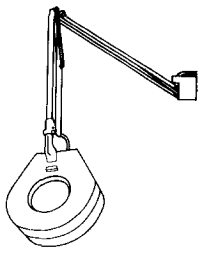


Light/Tool Bar Support

Description	Product Number	Approx. Weight
Single-Sided Supports - Set of 2	407095	3
Double-Sided Supports - Set of 2	407096	5

Column Electrical Harness

Description	15 AMP	20 AMP	Approx. Weight
Column Electrical Harness	407220	407230	1

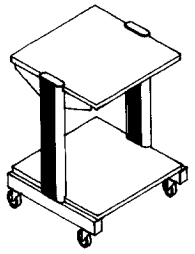


Magnifier Light

Magnifier Lights features a 5", 3-diopter double convex precision ground lens which produces distortion-free magnification under bright fluorescent illumination. A 42" reach, steel arm with three-way adjustment is included. 6 ft. power cord provided. Include (1) Magnifier Light bracket for each Magnifier Light.

Description	Product Number	Approx. Weight
Magnifier Light	980030	9
Magnifier Light Bracket	407640	2

Carts include (4) 3" swivel casters with (2) of them locking. Cart shelves are laminated with rounded corners. Top shelf may be adjusted vertically along column.



Low Column Carts

Height	Depth	Width	Standard*	ESD*	Approx. Weight
30"	18"	24"	407160_ _	407165_ _	74
30"	24"	36"	407161_ _	407166_ _	92

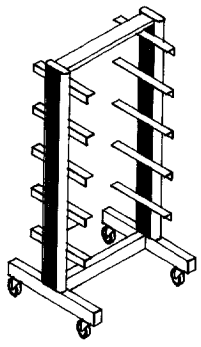
Mid Column Carts

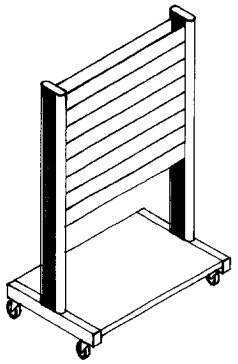
Height	Depth	Width	Standard*	ESD*	Approx. Weight
36"	18"	24"	407162_ _	407167_ _	93
36"	24"	36"	407163_ _	407168_ _	111

*Specify color preference with a suffix to the product number:
For Example, product number 407304__
requires a worksurface color code **first**, and an accent color code **second.**

Worksurface Colors: A - Almond or G - Gray
Accent Colors: A - Almond, BK - Black, W - Wineberry, B - Blue or G - Gray

ESD Worksurface/Accent: AA - Almond or GG - Gray





Tote Carts

Height	Depth	Width	Product Number*	Approx. Weight
60"	18"	28"	407175_	164

Bin Carts

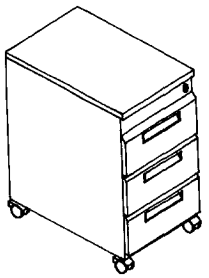
Height	Depth	Width	Product Number*	Approx. Weight
60"	18"	38"	407176_	113

*Specify color preference with a suffix to the product number:
Accent Colors: A - Almond, BK - Black, W - Wineberry, B - Blue or G - Gray

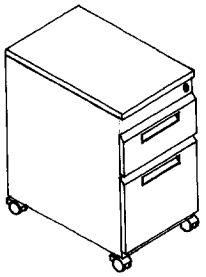
MOBILE PEDESTALS

Mobile Pedestals are made of steel and include a built-in cylinder lock. The pedestals are counterbalanced to protect against tilting and feature casters with a friction brake to prevent inadvertent movement. A top is included with a built-in grip for ease of movement. Inside dimensions are: Personal Drawer 1⅝"H, Box Drawer 4½"H, File Drawer 9½"H and Door 11⅝"H. Pedestals are 24"D and available in 26" or 29" heights.

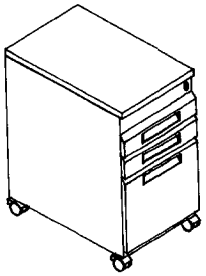
* All dimensions are nominal



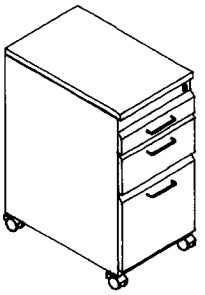
Drawer/Door Configuration	Height	Recessed Handle	Bow Pull	Approx. Weight
3 Box	26"	407430	407460	90



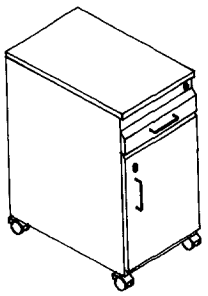
Drawer/Door Configuration	Height	Recessed Handle	Bow Pull	Approx. Weight
1 Box, 1 File	26"	407431	407461	85



Drawer/Door Configuration	Height	Recessed Handle	Bow Pull	Approx. Weight
2 Personal, 1 File	26"	407432	407462	90



Drawer/Door Configuration	Height	Recessed Handle	Bow Pull	Approx. Weight
1 Personal, 1 Box, 1 File,	29"	407440	407470	98

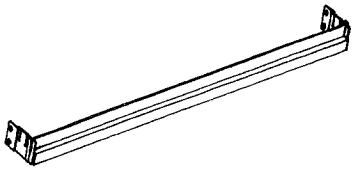


Drawer/Door Configuration	Height	Recessed Handle	Bow Pull	Approx. Weight
1 Personal, 1 Door	29"	407441	407471	88

Note:

Please specify keying and color instructions when ordering.
Pedestals may be keyed alike, differently, by workstation or by area.
Drawer/Cabinet front colors: Sand Tan, Gray, White and Black

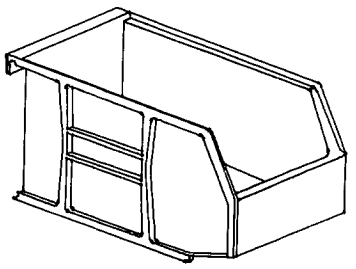
BIN BARS



Standard Bin Bars are painted steel. ESD Bin Bars are stainless steel with grounding kit included.

Worksurface Width	Standard	ESD	Approx. Weight
48"	407121	407126	3
60"	407122	407127	4
72"	407123	407128	5

PARTS BINS



Standard Parts Bins

Product* Number	Inside Dimensions L	W	H	Carton Qty	Approx. Weight
ACC30210_	4¾"	3½"	2½"	24	10
ACC30220_	6¾"	3½"	2⅞"	24	10
ACC30230_	10¼"	4⅜"	4¾"	12	10
ACC30240_	14"	14¾"	6¾"	6	10

* Specify color preference with a suffix to the product number: Only one color per carton may be ordered.

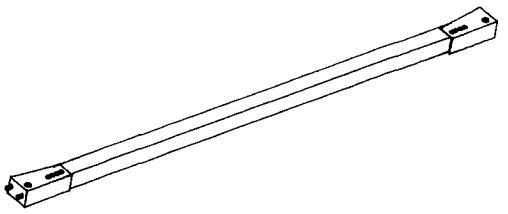
Standard Bin Colors: Y - Yellow, B - Blue and R - Red

ESD Parts Bins

Product* Number	Inside Dimensions L	W	H	Carton Qty	Approx. Weight
ACC4452	4"	3½"	2½"	1	1
ACC4453	6"	3⅜"	2½"	1	1
ACC4454	9"	4⅜"	4⅜"	1	1

* ESD Bins are available in Black only.
All dimensions are nominal

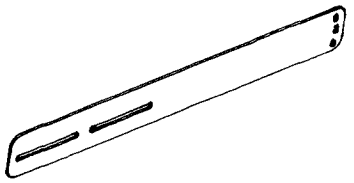
TOOL BARS



Tool Bars are painted steel. Task Lights and Tool Bars may be mounted on one support kit.

Include (1) set of supports for each tool bar.

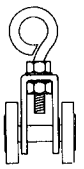
Worksurface Width	Product Number	Approx. Weight
48"	407111	4
60"	407112	5
72"	407113	6



Description	Product Number	Approx. Weight
Light/Tool Bar Support Set	407095	3

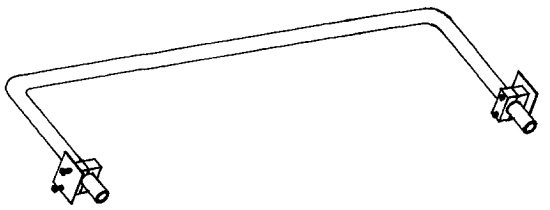
Tool Bar Trolley

Tool Bar Trolleys include an eye bolt to accept a variety of tool balancers.



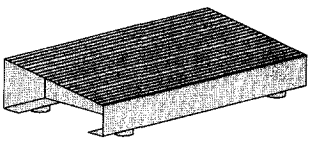
Description	Product Number	Approx. Weight
Tool Bar Trolley	407115	1

FOOTRAILS



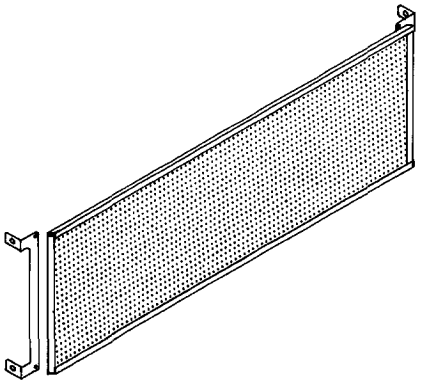
Footrails are painted steel tube and feature height and depth adjustment.

Description	Product Number	Approx. Weight
48"W Footrail	407081	10
60"W Footrail	407082	15
72"W Footrail	407083	20



Portable Footrest	FT-10007-01	11

TACK PANELS



12"H Tack Panels are mounted in-between columns. Fabric is color-coordinated with accent strip. Support bracket included.

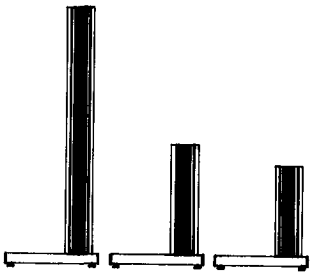
Worksurface Width	Product Number*	Approx. Weight
48"	407181_	18
60"	407182_	22
72"	407183_	26

* Specify color preference with a suffix to the product number:

Accent Colors: A - Almond, BK - Black, W - Wineberry, B - Blue or G - Gray

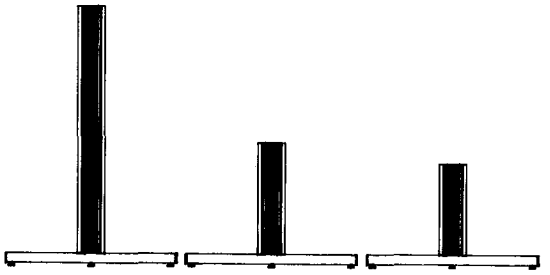
COLUMNS/BASES

ESD Columns are supplied with grounding kit.



Basic Column Kits with Bases

Maximum Workstation Height	Standard*	ESD*	Approx. Weight
30"H Low Column	407011_	407001_E	20
36"H Mid Column	407012_	407002_E	22
76"H High Column	407010_	407000_E	36



Double-Sided Column Kits with Bases

Maximum Workstation Height	Standard*	ESD*	Approx. Weight
30"H Low Column	407016_	407006_E	29
36"H Mid Column	407017_	407007_E	31
76"H High Column	407015_	407005_E	45

Specify color preference with a suffix to the product number:

Accent Colors: A - Almond, BK - Black, W - Wineberry, B - Blue or G - Gray
ESD Accent Colors: A - Almond or G - Gray

ESD Shelf Mat Colors: A - Almond or G - Gray

GENERAL ORDERING INFORMATION

Pricing, Terms, and Conditions

Net 30 days with established credit.

All prices are F.O.B. Factory and are subject to change without notice. Due to our continual research and development, changes may occur in product specifications. We reserve the right at any time to altar design and to substitute materials and parts to supply the article which is our standard at time of shipment.

Remit all payments to Kewaunee Scientific Corporation, Technical Products Group, P.O. Box 60220, Charlotte, NC 28260. No state or local sales tax, or any other tax that may be levied or assessed upon a sale or purchase of products listed in this ordering guide is included in prices quoted. Any such taxes must be paid by the purchaser, and if, by law, the vendor is chargeable with the collection or payment thereof, the sum must be added as tax to the prices quoted.

Order Confirmation

All orders are acknowledged upon receipt, it is the customer's responsibility to see that the items shown conform to those ordered, and if any discrepancy exists, to notify a Kewaunee Scientific representative immediately. The order acknowledgement is the final agreement between the customer and Kewaunee Scientific Corporation and supersedes all prior documents and may not be modified except by a revised purchase order.

Shipping

All shipments are made "best way" (motor freight, common carrier, UPS) unless otherwise requested in writing. Kewaunee is not responsible for delay in shipment caused by conditions beyond our control. All weights shown are approximate and obtained from standard packaging procedures.

Damage in Transit

Customer should inspect shipment upon receipt. All loss or damage claims must be made against the carrier. No claims for damage may be deducted from invoices.

Returns

Returned merchandise will not be accepted unless first authorized by Kewaunee Scientific Corporation. A 20% restocking charge, plus repair and rehabilitation, and any freight charges incurred will be applied to any return shipment. The customer will be billed for any damaged goods not collectible from the carrier. Return shipments must be prepaid and returned via same delivering carrier(s).

Colors

Standard paint colors for EVOLUTION Technical Workstations are Sand Tan, Dove Gray, Flint Gray, Metallic Gray, Ice Blue, Fashion Blue, Navy, Burgundy, Mocha, Black and White. Customized colors are available upon request.

Assembly

Some assembly is required. Instruction manuals will accompany all orders.

Specifications

A complete set or product specifications is available upon request. All dimensions listed are nominal.

Special Product Requests

If quantities or circumstance warrant, we will be pleased to quote pricing on custom products. Send details, drawings and specifications Attn: Kewaunee Customer Service Department. Lead time will normally increase and custom orders are noncancellable.
